Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the document listed on the attached PTO/SB/08 form. Applicant submits this Information Disclosure Statement (IDS) together with a Request for Continued Examination (RCE) for the above-identified application. This IDS supplements the IDSs filed on December 15, 2004, April 11, 2006, June 20, 2006, August 22, 2006, and September 15, 2006.

A copy of the listed U.S. patent is not enclosed. Applicant respectfully requests that the Examiner consider the listed document and indicate its consideration by making appropriate notation on the attached PTO/SB/08 form. The document listed was cited in an Office Action dated September 27, 2006 that was received in U.S. Application No. 10/654,959.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior

art.” If the Examiner applies the document as prior art against any claim in the application and Applicant determines that the cited document does not constitute “prior art” under United States law, Applicant reserves the right to present the relevant facts and law to the Office regarding the appropriate status of the documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
